## Practice Indicator Reports

### For January 2010

# Use of Foster Care by County

Data in the report (both historical and current) may be subject to change as it is continually being validated and updated. This may result in statistical data in previous reports to be inconsistent with statistics found in more recent reports even when the data pertain to the same time period.

**February 2010**

# DCS Practice Indicator Report Use of Foster Care by County

January 2010

## Report Description

This report uses data collected at the end of the current report month. The graphs and numbers for historical months also use data from the end of the historical month listed. This report looks at CHINS children from CHINS cases that were open on the last day of the report month. It also collects where that child is located (in their own home or in substitute care).

**Total CHINS Count** – This is the number of children that have an open CHINS case on the last day of the report month.

**In Home or Relative Care** – This section has data regarding children that have an open CHINS case on the last day of the month and are in their own home or in relative care.

**Count-** This is the number of children that have an open CHINS case on the last day of the month and are in their own home or in relative care.

**Percent-** This is the number of children that have an open CHINS case on the last day of the month and are in their own home or in relative care divided by the total number of children that have an open CHINS case on the last day of the month.

**Target (At or Above) %** – The target for the percent of the number of children that have an open CHINS case on the last day of the month and are in their own home or in relative care to the total number of children that have an open CHINS case on the last day of the month is 50% or higher.

**Non Relative Foster Care** – This section has data for children that have an open CHINS case on the last day of the month and are not in their own home or in relative care.

**Count-** This is the number of children that have an open CHINS case on the last day of the month and are not in their own home or in relative care.

**Percent-** This is the number of children that have an open CHINS case on the last day of the month and are not in their own home or in relative care divided by the total number of CHINS children in out of home placement at the end of the month.

**Target (At or below) %** – The target for the percent of the number of children that have an open CHINS case on the last day of the month and are not in their own home or in relative care to the total number of children that have an open CHINS case on the last day of the month is 50% or higher.
